### 60/30 Intermediate panel

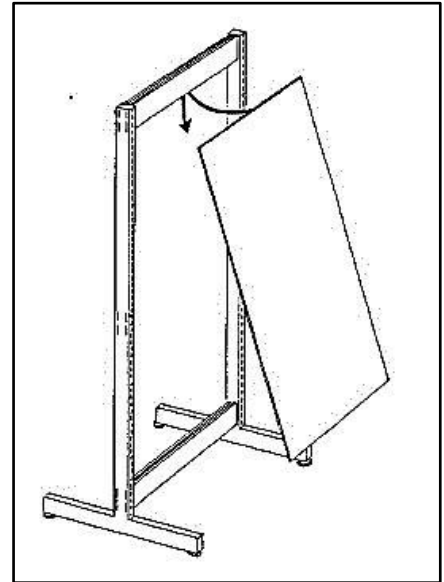

# Assembly Guide

## Assembly of 60/30 Intermediate panel

---

### Intermediate panel in Pomeranian Canvas (pp5)

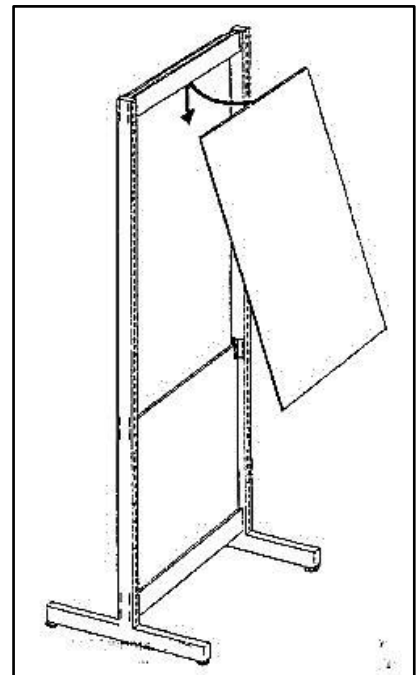

1. The profile of the crossbar allow for installation without tools. The intermediate panel is shut up into the top crossbar and the bottom edge is lead in so the panel rests in the joint on the bottom crossbar.

---

### Intermediate panel, steel (for shelving with 2 crossbars)

1. Install the bottom panel (height 76,7 cm) so that it rest in the joint on the bottom crossbar. Install the provided fittings in the centre slot of the uprights, so they hold the panel in position. The top panel is shut up into the top crossbar and is lowered down between the fittings in the slots of the uprights.

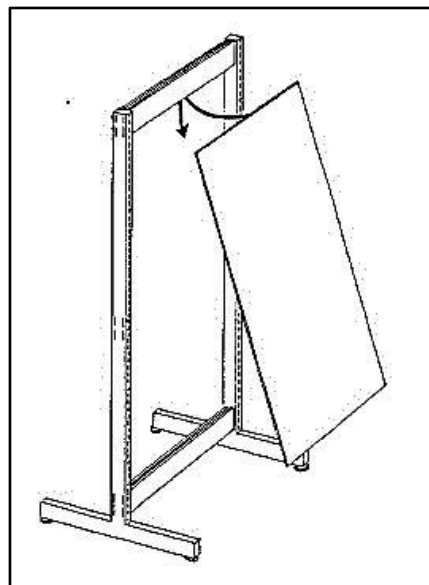

# Monteringsvejledning

Monteringsvejledning til 60/30 mellemvæg

---

## Mellemvæg i pommersk lærred (pp5)

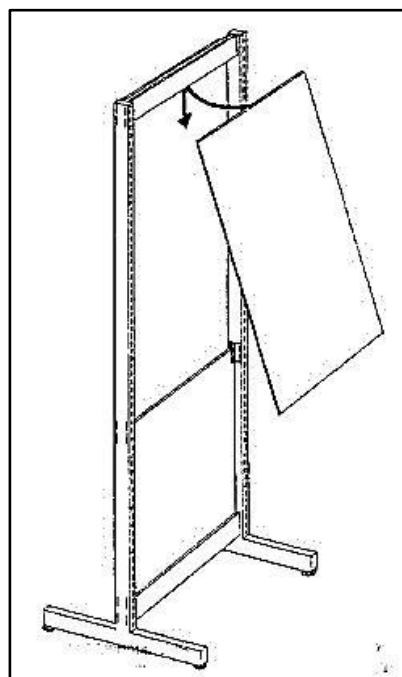

1. Afstandsstykkets profil muliggør montering uden værktøj. Mellemvæggen skydes op i det øverste afstandsstykke, og den nederste kant føres ind, så pladen hviler i fugen på det nederste afstandsstykke.

---

## Mellemvæg i stål (til reoler med 2 afstandsstykker)

1. Den nederste plade (højde 76,7 cm) monteres, så den hviler i fugen på det nederste afstandsstykke. De medfølgende beslag monteres i søjlernes midterste slidser, så de holder pladen fast. Øverste plade skydes op i det øverste afstandsstykke og sænkes ned mellem beslagene i søjlernes slidser.
